SERVICES SUBJECT TO CHANGE

MANGROVE Bay

May 14, 2008

Dear Mangrove Bay POA Member:

Thank you for your interest in increasing your Mangrove Bay membership level from Silver to Gold level. The value of the higher level membership is phenomenal and it assures that you will continue to enjoy all of the exciting activities, fine dining experiences, transportation and Fit For Life classes that Mangrove Bay offers.

I do understand that by purchasing the Gold level package you may not be taking part in all that is offered. Therefore, at the request of several POA members, I have incorporated a prorated pricing schedule for you to pick and choose your activities either by package or the below ala carte options. This pricing schedule will be effective June 1st and available through December 31, 2008.

❖ **ALL GOLD PACKAGE SERVICES AND AMENITIES with the exception of dining dollars:**

\$500 per month first household resident
\$250 per month each additional household resident

❖ **SCHEDULED FIT FOR LIFE EXERCISE PROGRAMS:**

\$150 per month first household resident
\$100 per month each additional household resident

❖ **TRANSPORTATION TO SCHEDULED LOCATIONS AND MEDICAL APPOINTMENTS (within the predetermined radius and with the minimum of 24 hours advance notice):**

\$200 per month first household resident
\$150 per month each additional household resident

To join the Gold Club level or to take part in any of the special ala carte options, you must sign and return the below portion of this letter before the 20th of the month prior to the membership beginning.
