STATE OF FLORIDA: ss  
 COUNTY OF BROWARD: ss

KNOW ALL MEN BY THESE PRESENTS, that Florida Inland Navigation District created and existing under the laws of the State of Florida, has caused to be made this map of Florida East Coast Canal and the proposed Right of Way thereof for the purpose of locating certain tracts of parcels of land within said proposed right of way and to facilitate the description of said tracts for conveyance.

IN WITNESS WHEREOF, the said Florida Inland Navigation District has caused this certificate to be signed by its Chairman and attested by its Secretary and its corporate seal to be hereto affixed on this 10th day of JANUARY, A.D. 1931.

Florida Inland Navigation District.  
 Witness: By *[Signature]* Chairman  
*[Signature]* Secretary

STATE OF FLORIDA: ss  
 COUNTY OF BROWARD: ss

I HEREBY CERTIFY, that on this day personally appeared before me, an officer duly authorized to administer oaths and take acknowledgments, Chas F. Burgman and D.M. Conkling, respectively, Chairman and Secretary of the Florida Inland Navigation District, a political subdivision of the State of Florida, to me well known to be the persons described in and who executed the foregoing certificate and severally acknowledged the execution thereof to be their free act as such officers, for the uses and purposes therein mentioned, and that they affixed thereto the official seal of said District and that the said certificate is the act of said District.

IN WITNESS WHEREOF, I have hereto set my hand and official seal at LAUDERDALE, in the County of BROWARD, State of Florida, this 10th day of JANUARY, A.D. 1931.

*[Signature]*  
 Notary Public, State of Florida

My Commission expires MAR. 24, 1934.

**TITLE AND INDEX SHEET**  
 Being Sheet No. 1 of 25 Sheets and 9 Sub-sheets of a map of the Florida East Coast Canal through Palm Beach County, Florida, contains all legal certificates and acknowledgments appertaining to said map; also an Index Map showing the general location of said Canal and the sheet numbers of the individual sectional maps, numbered from 2 to 25 inclusive, showing detailed location in each section.

Scale of Index Map.  
 Sub-sheets are numbered 3B, 12B, 12C, 13B, 14B, 16B, 17B, 23B and 24B.  
 In general, each sheet shows Right of Way through one complete land section and sheets are numbered from 1 to 25 inclusive, No. 1 being the title, index and certification sheet. For any section requiring more than one sheet, all sheets for that section carry the same serial number followed by a letter A, B or C, to indicate the relative location of the sheet in the section.

APPROVED FOR RECORD this 11th day of March, A.D. 1931.

*[Signature]*  
 Clerk of the Circuit Court, Palm Beach County, Florida.

By \_\_\_\_\_ Deputy Clerk.

WE HEREBY CERTIFY: That this map consisting of 25 sheets and 9 sub sheets, including this "Title and Index Sheet", numbered 1, and 24 map sheets, numbered 2 to 25 inclusive, together with 9 sub-sheets appropriately numbered to correspond with their respective key sheets, is a true and correct representation of a survey of the Florida East Coast Canal in Palm Beach County, Florida, made by us during 1928, 1929 and 1930; that the measurements shown thereon are correct; and that permanent Monuments have been established at the locations thereon designated.

CHARLTON & DAVIS, CIVIL ENGINEERS  
 By *[Signature]*  
 Registered Engineer No. 665, State of Florida.

I HEREBY CERTIFY: That this map of the Florida East Coast Canal through Palm Beach County, Florida, made under my direction, is approved by me and is true and correct to my best knowledge and belief.

*[Signature]*  
 Chief Engineer, Florida Inland Navigation District  
 Registered Engineer No. 1123, State of Florida.
