GOLF COURSE UPDATE

GOLF COURSE RENOVATION

In 2022, Rees Jones, Inc. redesigned and rebuilt all of our greens to USGA specifications. The project also included:

- Rebuilding of Greenside Bunkers
- Modernizing Fairway Bunkers
- Improving Drainage Around our Greens Complexes.

Though the cost of this project was in excess of \$3 million dollars, there was **no member assessments.** Mr. O'Malley covered the costs of this exciting project!

Rees Jones, Inc. is a world-renowned golf course architectural firm whose credentials speak for themselves. Seven US Opens have been contested on Rees Jones re-designed courses, giving Rees Jones the nickname "The Open Doctor".

They've also designed numerous courses in Florida, including both golf courses at The Breakers, the South course at BallenIsles, and Coral Ridge Country Club. We are very excited that The Preserve's golf course will soon be a Rees Jones re-design

The Club will maintain its current membership **cap of 250 members**, as we intend to keep our policy of no tee times.
